European Opioid Addiction Treatment Association AU-CNS

Per aspera ad astra Since 1994 Association for the Application of Neuroscientific Knowledge to Social Aims

Affiliated to INTERNATIONAL SOCIETY OF ADDICTION MEDICINE

EUROPAD formerly EUMA was founded in Geneva (Switzerland) on September 26, 1994. It shall remain independent of political parties and of any government.

The vision

EUROPAD exists to improve the lives of substance non-medical users and their families and to reduce the impact of illicit drug use on society as a whole. The Association works to develop opioid addiction treatment in Europe but also aims to make a major contribution to the knowledge of, and attitudes to, addiction treatment worldwide.
